The Sleepy Time King appeals to kids of all ages, and the kid in all of us too! Family-friendly content, all ages. ***The Sleepy Time King*** is 9 songs - including the Christmas Hit **If You Love Christmas** - and 2 charming **Little Jimmy Stories**.

Described as 'the love child of Tom Waits and Raffi', Robert, and his musical muse Brad Steckel, have been making albums together for over 30 years. Robert is a self taught songwriter, musician, actor and children's author.

Robert's smooth vocals, along with his charming lyrics and Brad's masterful guitar (think Paul Simon/Eric Clapton), spins a wonderful web of fantasy throughout the songs.

Following a time-honoured tradition handed down from his grandfather, Robert weaves song and story inspired by his own five grandchildren. Dedicated to them, and grandparents and grandchildren everywhere, the songs are about love and family and the good that follows.

In these challenging and changing times, this album takes us back to those values that really matter. Grandpas everywhere connecting with grandchildren in joy and love.
